6 amazing reasons to choose a vendRite vending machine.

1

We guarantee to pay you the agreed commission through our unique open book audit system

2

If you choose to support a charity or are using our services to raise funds for you team, club, or organisation we will produce quarterly updates of monies raised and promote this on your site and through our social media thus highlighting the work you are doing.

3

We guarantee our rates of commission are amongst the highest in the industry

4

We offer healthy options, traditional snacks, drinks and confectionary

5

Because we are an independent company we are not tied to any particular product ranges and therefore can offer much wider ranges of products than many competitors

6

Our unique service level agreement guarantees to maximise your revenue by responding quickly to any breakdowns, and keeping the machines serviced to the highest possible levels. Oh, and in the unlikely event we fail to do so we pay you a fine!

We can provide:

- ✓ **Sweet towers**
Packed full with all your favourites such as toblerone, skittles, bon bons, haribo, choc eggs, rolo, fruit pastilles, smarties, jelly beans and many more!
- ✓ **Pringle towers**
A Pringles vending machine can stock a huge variety of flavours, ensuring that everyone can find their favourites.
- ✓ **Toy machines**
Perfect addition for keeping the younger clients entertained.
- ✓ **Snack machines**
A great way to provide your staff and customers confectionary, crisps and snack items; 24/7.
- ✓ **Combi machines (snack and cold drinks)**
filled with a great choice of snacks, confectionary and chocolate products; with cans and bottles available from the same machine.
- ✓ **Hot drinks machines**
A hot drinks machine is the ultimate refreshment option and we at can provide a range of options to suit.
